- The Committee on Fish, Wildlife and Water Resources to which was
- 3 referred House Bill No. 135 entitled "An act relating to authorizing the
- 4 Vermont Department of Health to charge fees necessary to support Vermont's
- 5 status as a Nuclear Regulatory Commission Agreement State" respectfully
- 6 reports that it has considered the same and recommends the bill be amended by
- 7 striking out all after the enacting clause and inserting in lieu thereof the
- 8 following:

1

- 9 Sec. 1. 18 V.S.A. § 1653 is amended to read:
- 10 § 1653. FEDERAL-STATE AGREEMENTS
- 11 (a) The governor Governor, on behalf of the state State of Vermont, may
- enter into agreements with the federal government providing for
- discontinuance of certain of the federal government's responsibilities with
- respect to byproduct, source, and special nuclear materials and the assumption
- thereof by the state State of Vermont.
- 16 (b) In the event of such agreement:
- 17 (1) The agency Agency shall provide by rule for general or specific
- licensing of byproducts, source, special nuclear materials, or devices or
- 19 equipment utilizing such materials. The rule shall provide for amendment,
- suspension, or revocation of licenses.

- (2) The agency Agency shall be authorized to exempt certain byproduct, source, or special nuclear materials or kinds of uses or users from the licensing or registration requirements set forth in this section when the agency Agency makes a finding that the exemption of such materials or kinds of uses or users will not constitute a significant risk to the health and safety of the public.
- (3) The Agency may collect a fee for licenses issued under this section.

  The fee schedule for these licenses shall be the schedule adopted by the U.S.

  Nuclear Regulatory Commission and published in 10 C.F.R. § 170.31 that is in effect as of the effective date of this section. Fees collected under this section shall be credited to the Nuclear Regulatory Fund established and managed under subdivision (b)(4) of this section and shall be available to the Agency to offset the costs of providing services under this section.
- (4) There is established the Nuclear Regulatory Fund to consist of the fees collected under subdivision (b)(3) of this section and any other monies that may be appropriated to or deposited into the Fund. Balances in the Nuclear Regulatory Fund shall be expended solely for the purposes set forth in this section and shall not be used for the general obligations of government. All balances in the Fund at the end of any fiscal year shall be carried forward and remain part of the Fund, and interest earned by the Fund shall be deposited in the Fund. The Nuclear Regulatory Fund is established in the State Treasury pursuant to 32 V.S.A. chapter 7, subchapter 5.

(3)(5) Any person having a license immediately before the effective date
of an agreement under subsection (a) of this section from the federal
government or agreement state relating to byproduct material, source material,
or special nuclear material and which on the effective date of this agreement is
subject to the control of this state State shall be considered to have a like
license with the state State of Vermont until the expiration date specified in the
license from the federal government or agreement state or until the end of the
ninetieth 90th day after the person receives notice from the agency Agency that
the license will be considered expired.

(4)(6) The agency Agency shall require each person who possesses or uses byproduct, source, or special nuclear materials to maintain records relating to the receipt, storage, transfer, or disposal of such materials and such other records as the agency Agency may require subject to such exemptions as may be provided by rule.

## (5)(7) Violations:

- (A) It shall be unlawful for any person to use, manufacture, produce, transport, transfer, receive, acquire, own, or possess any byproduct, source, or special nuclear material unless licensed by or registered with the agency Agency in accordance with the provisions of this chapter.
- (B) The <u>agency Agency</u> shall have the authority in the event of an emergency to impound or order the impounding of byproduct, source, and

1	special nuclear materials in the possession of any person who is not equipped		
2	to observe or fails to observe the provisions of this chapter or any rules or		
3	regulations issued thereunder.		
4	(6)(8) The provisions of this section relating to the control of byproduct,		
5	source, and special nuclear materials shall become effective on the effective		
6	date of an agreement between the federal government and this state State as		
7	provided in section 1656 of this title.		
8	Sec. 2. EFFECTIVE DATE		
9	This act shall take effect on July 1, 2015.		
10	and that when so amended the bill ought to pass
